

The Purpose of a School Council

To support and enhance
student learning.

Fundraising

Raises funds to provide resources, programs and opportunities for our students.

Communicating

Shares information, builds awareness and keeps our school community informed.

Engaging

Brings parents, caregivers and the community together to support our school.

Advising

Provides input and guidance to help shape positive decisions for our school.

Listening

Values diverse perspectives and hears the needs and ideas of our school community.

Stronger Together

FOR OUR STUDENTS
